

Fall Creek Mural Project

The Fall Creek Elementary student artists and musicians have been working hard to complete a mural in the Expressive Academics Wing hallway. The mural connects both the art and music rooms at Fall Creek, which is now named The Expressive Academics Wing. The mural was designed to be an art gallery allowing for each grade level to display artwork within the 6 white squares of the mural. The mural was inspired by the Russian artist and musician, Wassily Kandinsky. Kandinsky believed in the concept that color and musical harmony are linked as one. He even claimed that when he saw color he heard music. This mural celebrates both art and music and
