

Laurel: IPEI appreciates fun campaign launch

» Laurel from the Ithaca Public Education Initiative (IPEI): Thank you to the local businesses and volunteers who helped make the IPEI Capital Campaign Launch on May 29 such an enjoyable event. Their support is especially appreciated as IPEI strives to be a permanent, proactive and forward-looking organization with even more effect in the schools and the community.

Special thanks to our generous host BJ Bliss and his Corks and More staff for assistance when severe weather forced us to move indoors, and for the M/V Columbia boat ride when the weather cleared.

Thanks to Ithaca High School senior Haley Evanoski for a beautiful musical performance, and to 3D Cinemation for event photography and video. To Larry Cutler of Cara Mia Cupcakes and to Mary Euell of Queen of Tarts for scrumptious desserts. To Calf Audio, Rick's Rental, Cornell Laundry and Sunset Design for professional services.
